**ALOE VERA** ... The *Skin Care Studio* new line of professional products is **rich with aloe vera!** Our aloe gel contains over **75 nutrients** and **200 active compounds**, including **20 minerals**, **18 amino acids**, and **12 vitamins**.

The benefits of the *Skin Care Studio*'s aloe-based skincare far outweigh anything we've found elsewhere. Did you know that most aloe vera products contain stabilizers and preservatives that can counteract the benefits of aloe? And, if aloe is added in scant amounts its benefits are considerably less significant. That's why our line of skincare hinges on aloe, supplemented with other outstanding natural ingredients.

Aloe vera **increases the availability of oxygen** to the skin thereby aiding **synthesis** and **strength** of skin tissues. Aloe

**promotes RAPID WOUND HEALING.**

Most of us have experienced first-hand how Aloe instantly soothes the skin and reduces inflammation. Aloe also **relieves itching and skin irritations**. It deep penetrates skin without the use of heat. We at the *Skin Care Studio* have experienced enough about Aloe to believe that its benefits are God-given and only partially known to us. ALOE is miraculous!

### Holiday Lovely Living Tip:

*Scarlet beautifies the Christmas season, but be sure to surround yourself in green at the dining table. While looking at red in dim lights is romantic it also encourages mindless eating. Green suppresses appetite.*

## Loving Green and Gold

Precious Gold ...

*For all my clients, I hope you feel it every time we're together, but please allow me to express my heartfelt appreciation to you for your business. When I say "I love gold" my heart wants you to know I love you as a person and I rejoice in every good thing for you. You, my friends, are treasures to me.*
